

VICTORIAN EQUESTRIAN CENTRE

THE VEC HOLIDAY CAMPS 2008 - 2009

Between Christmas 2008 and June 2009, the **Victorian Equestrian Centre** located in Upper Beaconsfield, will be running its very popular holiday camps.

The VEC instructors have improved the weeklong training program to include new activities such as riding demonstrations. Daily practical riding lessons will include instruction in flat work, jumping and games, as well as horse care and theory sessions. During the week there will be a trail ride in the surrounding countryside. In addition, each camp will include an afternoon excursion to a nearby horse stud.

VEC camps cater for complete beginners to advanced riders. You have a VEC school horse to look after for the week or you can bring your own horse with agistment built into the camp cost.

During each camp riders use all of the VEC's extensive facilities, which include our international indoor arena, two outdoor sand arenas, tie-ups, stables, bunkhouse and catering facilities.

The cost of the camp is \$630.00 per rider, which includes all riding tuition, bunkhouse accommodation, great meals, and of course the excursion to a horse stud.
